This matter is before the court pursuant to plaintiff's Motion for Reconsideration of the Order Affirming Report and Recommendation. This motion was filed on November 14, 2011.

Plaintiff contends that his objections to the Report and Recommendation were not considered, although they were filed on time. Indeed, the court did consider plaintiff's objections, as noted in its order in the last sentence of the second paragraph: "Objections to the magistrate judge's report and recommendation were timely filed on October 6, 2011."

IT IS THEREFORE ORDERED that plaintiff's Motion for Reconsideration of the Order Affirming Report and Recommendation is **DENIED**.

AND IT IS SO ORDERED.

November 18, 2011
Charleston, South Carolina

Chief United States District Judge
